## ✨ Explore Complete Neighborhood Platform Features

Built for Local Residents & Businesses

### Real-Time Proximity & Navigation
GPS ACCURATE

Instant GPS distance (in km) and 1-tap Google Maps directions straight to any store, clinic, or service in your neighborhood.

### Direct Call & WhatsApp Connect
ZERO MIDDLEMAN

Connect directly with shop owners in 1 tap. Ring their direct mobile or WhatsApp with 0% commissions or broker fees.

### Custom Quotes & Estimates
REAL LEADS

Send customer quote inquiries directly to local merchants with verified callback numbers and automated WhatsApp handoff.

### Live Menus & Store Catalogs
LIVE CATALOG

Browse real-time product catalogs, pricing, daily discounts, and order easily for doorstep delivery or quick store pickup.

### 100% Agent-Verified Listings
5X TRUST SEAL

Every store is physically visited and certified on-ground by JIT field verification agents with geotagged physical proof.

### Emergency SOS & Quick Help
SAFETY FIRST

1-tap community emergency SOS alert with live GPS coordinates sent immediately to nearby verified emergency services.
